Ruby says... Article 29 Your education should help you use and develop your talents and abilities

We have all been enjoying the wonderful sunshine this week. Lots of children have been working or having their snack outside. There has also been lots of fantastic Design Technology work too- have a look below.

Y6 SATS Week-13th May

The Y6 team have been working incredibly hard all year and next week is the time that they 'show off' their super knowledge. We are all so proud of you, Year 6 but we know the tests that we have to do only show a small part of how great you all. Y6 are invited to breakfast club next week from 8am for a good start to the day. The office will start to call any pupils not in school by 8.30am.

Industrial Action 14th May

A reminder that on Tuesday 14th May, the school is open to Years 2 & 6 only. All pupils in these year groups need to attend. Teachers will be setting remote learning for the day.
