Happy with Elms Farm.teachers have been very approachable and easy to build a connection with so feel comfortable discussing my daughters progress / concerns.the school could offer after school clubs on different days as most y1 clubs were on same da

More of an eye kept on the football allowed at break times, far too much arguing and kids being excluded/ bullied if they are not the next Ronaldo. Teachers need to be selecting class team's for tasks not the kids as it causes exclusion 😊

My child does not have SEND needs as far as we are aware currently. However, when my child showed a slight lack in social interactions, the teachers were quick to pick up on this and placed him in social intervention/support programmes.

My child loves coming to school and she is always excited to share what she has learned. The teachers are dedicated and go above and beyond to support their studentsThe school has created a welcoming and inclusive atmosphere.

Amazing team great management well done Miss Baxter and Miss Sembi and a special well done to Miss Pettite for encouraging the children to get outstanding attendance little things matter like end of term treats.

I told to many people that Elms farm school is the best school in the area. I recommend this school couple of times. My daughter is very happy at Elms farm school

Very happy with the school and how my child is progressing! My child enjoys going to school has a good group of friends and is doing very well in her lessons. :)

On the whole child is happy but transition arrangements are not done well - appears no acknowledgement is given by leaders to common best practice in this area.

Very happy with school and teachers head teacher is amazing and all teachers support me in the mornings with one of my children
