Ambition-Community-Equality

What your child will be learning: Year 4 Autumn Term 1

Science

In our science lessons we will be learning all about sound. We will be looking at how vibrations travel through a medium to the ear

Music

In music, we will be having an introduction to brass.

Computing

In computing this half term, we will be learning how to use word processing.

PE

This half term's focus is: Football

RE

In RE we will be learning about being thankful and expressing joy.

PSHE

During PSHE lessons this half term children will be learning ourselves and our relationships.

Geography

We will be learning about human and physical differences between a region in the UK and a region in Europe. We will also be looking at the eight points on a compass.

Art

We will be using line to create a 3D element to our drawings. We will create a final piece in the style of Gaudi.

Maths

This half term's foci are:

- Representing numbers to 10,000.
- Partition numbers to 10,000.
 - Number line to 10,000.
 - Thousands
 - Roman numerals.
- Round to the nearest 10,100 or 1,000.

Ambition - Community - Equality
