

English

Class texts

Fiction: *Six Dinner Sid*

Non-fiction: *The Day the Crayons Quit*

Poetry: *Animal riddles*

Children will be exploring different ways to open and end stories. They will also be learning to write a simple letter of complaint.

Ambition-Community-Equality

What your child will be learning: Year 2 Autumn 1

Science

In our science lessons we will be learning about the uses of everyday materials. The children will be posed scientific questions and will need to investigate to find out which material will solve the problem.

Music

In music, we will be learning about structure

Computing

In computing this half term we will be learning to write algorithms to programme a robot.

PE

This half term's focus is: Agility, balance and co-ordination

RE

In RE we will be learning about how rules are reflected and followed in different religions.

PSHE

During PSHE lessons this half term we will be learning about how we should treat others.

Maths

This half term's foci are:

- Recognising the place value of numbers to 100
- Adding and subtracting 2-digit numbers
- Counting in 2s, 3s, 5s and 10s up to 100
- Comparing and ordering numbers up to 100
- Learning number bonds of numbers up to 20
- Using and applying skills that we have learned to solve simple problems

Ambition - Community - Equality

Why should I go to Sheldon?

Sheldon Country Park

St. Giles' Church

Birmingham Airport

The Radleys

Article 15 You have the right to choose your own friends and join or set up groups as long as it isn't harmful to others.

Geography

We will be learning about the geographical features of the local area and creating sketch maps.

Art

We will be learning to create different tones using pencils and charcoal. For our final piece we will be creating a landscape based on the art work of L.S. Lowry.
