Article of the month - September

Article 12: You have the right to have a voice and an opinion and for it to be listened to and taken seriously.

As we welcome children back to a new school year, we will be thinking about Article 12 a lot. Children will be sharing and discussing with their teachers and peers the school values, rules and rights that are important to them. Teachers will listen to the children's opinions and use these to help to create a Class Charter.

Children will also have the chance to apply to be a School Ambassador over the coming weeks. This is an exciting opportunity which gives children their right to a voice and an opinion.
